

Caller Sheet - Multiplication Bingo

Mark each fact as you announce it to keep pacing consistent.

Products Covered

• 24, 32, 36, 40, 42, 45, 48, 49, 54, 56, 63, 64, 72, 81, 84

Extension Idea

After a winner is verified, ask the class to build a related fact family (e.g., $7 \times 6 = 42$, $6 \times 7 = 42$, $42 \div 6 = 7$).
